CAUTION: Professionals and amateurs are hereby warned that this Work is subject to a royalty. This Work is fully protected under the copyright laws of the United States of America and all countries with which the United States has reciprocal copyright relations, whether through bilateral or multilateral treaties or otherwise, and including, but not limited to, all countries covered by the Pan-American Copyright Convention, the Universal Copyright Convention and the Berne Convention.

RIGHTS RESERVED: All rights to this Work are strictly reserved, including professional and amateur stage performance rights. Also reserved are: motion picture, recitation, lecturing, public reading, radio broadcasting, television, video or sound recording, all forms of mechanical or electronic reproduction, such as CD-ROM, CD-I, DVD, information and storage retrieval systems and photocopying, and the rights of translation into non-English languages.

PERFORMANCE RIGHTS AND ROYALTY PAYMENTS: All amateur and stock performance rights to this Work are controlled exclusively by Green Room Press. No amateur or stock production groups or individuals may perform this play without securing license and royalty arrangements in advance from Green Room Press. Questions concerning other rights should be addressed to Green Room Press. Royalty fees are subject to change without notice. Professional and stock fees will be set upon application in accordance with your producing circumstances. Any licensing requests and inquiries relating to amateur and stock (professional) performance rights should be addressed to Green Room Press.

Royalty of the required amount must be paid, whether the play is presented for charity or profit and whether or not admission is charged.

AUTHOR CREDIT: All groups or individuals receiving permission to produce this Work must give the author(s) credit in any and all advertisement and publicity relating to the production of this Work. The author's billing must appear directly below the title on a separate line where no other written matter appears. The name of the author(s) must be at least 50% as large as the title of the Work. No person or entity may receive larger or more prominent credit than that which is given to the author(s).

PUBLISHER CREDIT: Whenever this Work is produced, all programs, advertisements, flyers or other printed material must include the following notice: ***Produced by special arrangement with Green Room Press.***

COPYING: Any unauthorized copying of this Work or excerpts from this Work is strictly forbidden by law. No part of this Work may be reproduced, stored in a retrieval system, or transmitted in any form, by any means now known or yet to be invented, including photocopying or scanning, without prior permission from Green Room Press.

Wired from the Beginning

Wired from the Beginning

by Ken Bradbury

(Eve is reclining on the ground. Adam sleeps behind her.)

EVE: *(still lying down)* Adam? *(no response)* Adam, it's your cell phone.

ADAM: *(groggy)* Huh?

EVE: Your cell phone is ringing.

ADAM: *(sitting up and patting himself)* Where'd I put it?

EVE: It shouldn't be hard. You don't exactly have pockets.

ADAM: *(seeing it)* There it is. *(grabs it)* Hello? Garden of Eden.

EVE: I think He knows that.

ADAM: *(covering the phone)* It's the Boss.

EVE: Only three people in the world. Who else would it be?

ADAM: *(into the phone)* Yeh. Yeh, Boss. I know. Great day. I mean, they're all great when you're in charge.

EVE: What a schmoozer.

ADAM: *(shushing Eve, then)* All of 'em? You mean every one? Yeh ... yeh, boss, I'll get right on it. Yep. You have a nice day, too. *(clicks off the phone)* You won't believe this one.

EVE: He's coming for a visit?

ADAM: Later. But today he wants me to name all the animals.

EVE: All of them? In a day?

ADAM: He can make the day as long as he wants, Eve. It'll be a snap. *(reaching for computer)* I've got 'em all listed here on my laptop. *(puts the laptop on his lap)* Whoa! That is cold!

EVE: The Boss should have created pants before the laptop.

ADAM: *(searching)* Animals ... animals ... I think I filed 'em under "Things that creep and crawl and make funny noises."

EVE: Sounds like you in your sleep.

ADAM: Here they are. Wow. That's some list.

EVE: You named them already?

ADAM: No. But I've got their digital pictures.

EVE: You know, Adam, I think the thrill is gone.

ADAM: I'm not treating you well?

EVE: Oh, you're fine. It's all this ... this other stuff.

ADAM: Eve, we've been all through this.

EVE: But I still don't like it. The Boss gave us this beautiful Garden of Eden. I mean look. It's perfect! Food and scenery and a bed ...

ADAM: The bed's lumpy.

EVE: Okay, He could have improved on the grass and the dead leaves but just take a look at this place! It was so ... you know ... natural. It was paradise! Then you had to go and ...

ADAM: Eve, I need these things.

EVE: You mean you want them.

ADAM: I need them. Honest. You got any idea of what I do in a day?

EVE: Yeh. You spend the whole day staring at that laptop instead of enjoying Creation.

ADAM: Eve, it's my laptop that keeps Creation going. (*showing her something on the screen*) Look, I've got a digital map of the entire garden. You can take a virtual tour of ...

EVE: I don't want a virtual tour! Good grief, Adam! I've got the real thing right in front of me! Why would I want virtual?

ADAM: It's planning, Eve. Organization. Systems management.

EVE: I can't believe He let you have all this stuff.

ADAM: It wasn't His idea, believe me. It was a hard sell. Then one day I sat him down over by the hippos. (*struck with an idea*) Whoa! Hippos! Let me get that down! What a cool name! (*tapping away on the laptop*)

EVE: Would you stop that?

ADAM: You see! See what you're doing? If you get an idea it's gone by tomorrow but I've got it on CD disc. I told Him, I said, "Boss. This is a big place and big job. And you're gonna create all this technology anyway some

day. How about skippin' over a few million years and wiring up the Garden of Eden early? Just bypass the printing press and the telegraph, the steam locomotive and the Spanish Inquisition and put your technology where it'll do some good ... right here at the Beginning."

EVE: He laughed.

ADAM: At first. Just at first. Then He saw my point.

EVE: You whined until you got it.

ADAM: Okay, I whined. But it was good whining, Eve. I whined for both of us.

EVE: You're still a little boy, Adam. Little boys like to touch things and keep their hands busy and when they grow up they just get bigger toys.

ADAM: Eve! How can you say that? This is Creation! This is the Garden of Eden! This is important!

EVE: Your cell phone again.

ADAM: (*searches a bit in the leaves*) Where'd it go this time?

EVE: I'm telling you, pockets would have been a good idea.

ADAM: (*into the phone*) Hello? Garden of Eden.

EVE: Where else would He call?

ADAM: Uh ... Yeh, I'm ... no, I haven't got any named yet. Wait! The hippo! I named that big fat thing the hippo! (*listening, then*) No, I didn't ask the hippo about it. I don't think it's such a bad name. Yes, Boss, I know they are very sensitive. I'm slow with the naming project? Well, Eve and I have been arguing a little about the technology that You ... sorry ... that *I* wanted. I know you told me it would just be trouble but I can make this work, Boss. Trust me. Yeh. Have a nice day.

EVE: He still doesn't like it, does He?

ADAM: (*scurrying around, preparing his digital camera*) I've got to get to work, Eve. Hey listen, I've got to take a few more shots. Would you go stand next to that thing? I need some perspective.

EVE: What thing?

ADAM: The thing with eight hairy legs.
